Huawei ICT Competition 2026–2027 Pakistan

The Huawei ICT Competition for the Middle East and Central Asia, presented in partnership with UNESCO IITE (Institute for Information Technologies in Education), is dedicated to advancing digital learning and fostering collaboration between industry and education. This annual global ICT talent exchange event is specifically designed for students, offering a prestigious platform to showcase their talents and gain worldwide recognition for their achievements. We invite all students, along with Huawei ICT Academies, universities, colleges, and educational institutions from the Middle East and Central Asia to participate in the 2026–2027 ICT Competition.

This Competition will be held at 3 levels; National, Regional and Global. The regional finals winner will travel to Shenzhen, China, to compete against participants from around the world in the global finals.

Competition Content

Network track	Cloud track	Computing track
IP technologies such as Datacom, Security, WLAN and DCN	Information technologies such as Cloud and AI	Technologies such as openEuler, openGauss, and Kunpeng

- HCIA Certificate - 50 points
- HCIP Certificate - 100 points
- HCIE Certificate - 200 points

Competition Rules

Preliminary and National Stage (Individual Competition):

- Students of Huawei ICT academies or universities/colleges that are willing to become a Huawei ICT Academy shall register as university students. (Students currently enrolled in postgraduate (master's) or doctoral programs are eligible to participate in the competition.)
- Contestants must have available PCs and Internet access.
- Each contestant can participate in either the Practice Competition or the Innovation Competition (i.e. those who participate in the Practice Competition shall not participate in the Innovation Competition. In the Practice Competition, those who participate in the Network Track shall not participate in the Cloud Track etc.
- Competitors that have taken part in the Global Stage and won Grand Prize in previous years cannot participate in the same track again.
- To keep the competition fair and orderly, each participant must not register in multiple regions or countries. Duplicate registrations will unfortunately result in the cancellation of competition results and future participation.

Regional Stage (Team competition):

- Regional Stage is a team competition. A team must include three students and one tutor.

Global Stage (Team competition):

- The Global Stage is a team competition, and the participating teams are promoted from Regional Stage.
- It is recommended that the students and instructor from a team come from the same Huawei ICT Academy.
- Each country is limited to a maximum of one team per track.

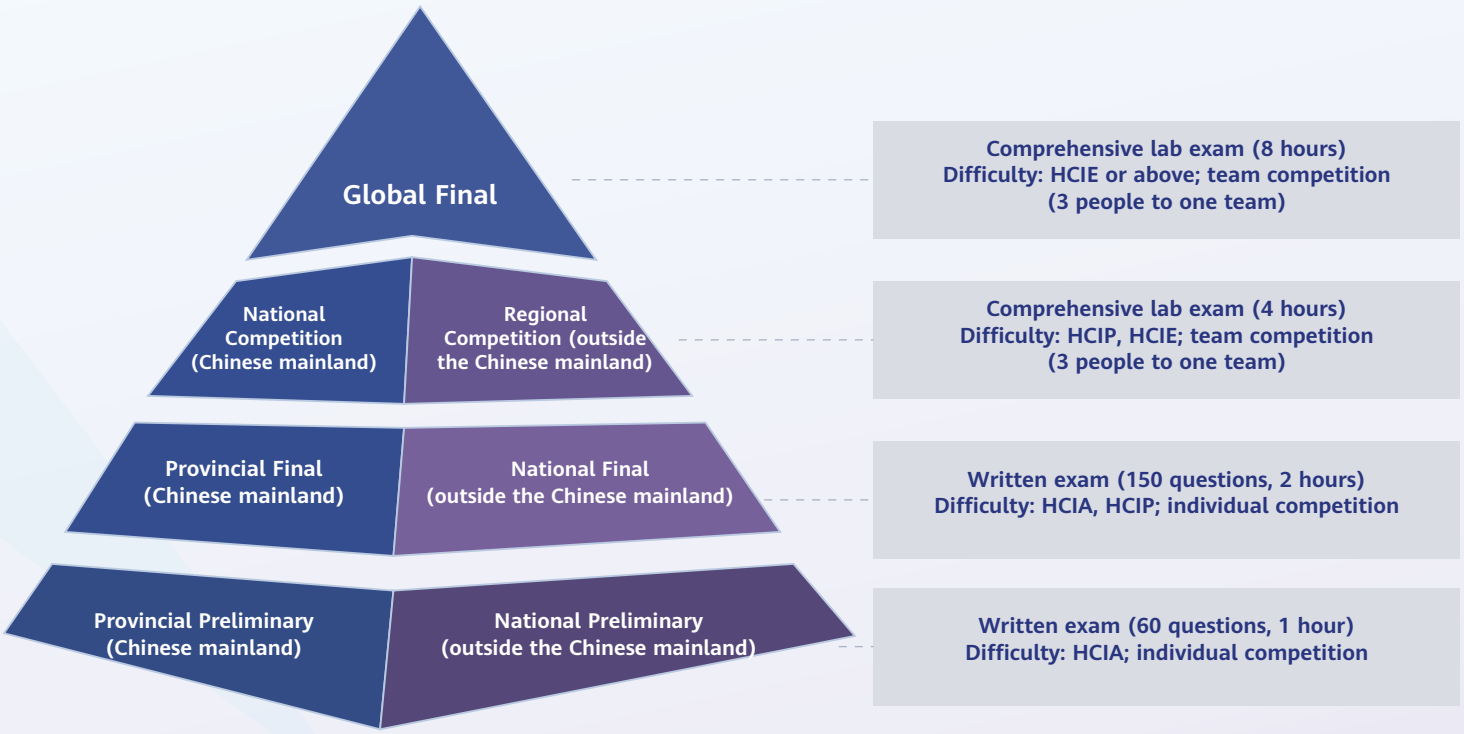

Competition Awards

Level	Awards	Prize*
Regional Competition	Grand Prize	Huawei MateBook, Award Certification
	First Prize	Huawei Matepad, Award Certification
	Second Prize	Huawei Watch, Award Certification
	Third Prize	Award Certification

* Awards for the national finals will differ from every country.
